

UNITED STATES DISTRICT COURT
Northern District of California

THE FACEBOOK, INC.,

Plaintiff(s),

v.

CONNECTU, LLC, ET AL,

Defendant(s).

No. C 07-01389 JSW (MEJ)

**ORDER RE: CONNECTU'S
REQUEST FOR HEARING DATE**

The Court is in receipt of Defendant ConnectU's request that this Court set a hearing date and briefing schedule regarding review and production of ConnectU's client files. (Dkt. #727.) However, it appears that at least one appeal in this case remains pending at the Ninth Circuit. *See* Dkt. #731. Accordingly, the Court is reluctant to conduct proceedings at the District Court level and hereby DENIES ConnectU's request without prejudice. However, should ConnectU be able to establish that no appeals are pending in this case before the Ninth Circuit, the Court shall issue an order as to how the parties should proceed.

IT IS SO ORDERED.
